About Us

THE FIRM

About Us

AHFP Law Firm is a Boutique Law firm in Indonesia specializing in a wide range of Dispute Resolution (Criminal, Civil, and Commercial litigation) as well as an experienced practice on a broad scale of business transactions such as Investment, General Corporate Matters, Project, Merger & Acquisition, Debt & Corporate Restructuring as long as Labor Law, Competition Law, Intellectual Property (IP) and Technology. Our firm has assisted National and Multinational Companies in navigating through legal problems by providing intimate yet well-designed advice that can be absorbed by our clients in as simple a way as possible.

We are always adapting to the changes in the legal world whilst equipping our firm with the best talents that are ready to encounter every legal aspect and specialization. At AHFP, we constantly strive towards primacy in taking care of your legal issues. We equipped our firm with the best legal practitioners that have depth understanding and experience in their respective field of practice. We believe that by combining knowledge and experience at the same time, we will be able to deliver credible advice in a good and reasonable way.

As a foundation of our firm, we always maintain integrity, detail and responsiveness in every area we handle, we trust that to overcome any obstacles, these values are highly important. First, we believe that by carrying integrity as our value, we will grow rapidly and gain a reputation for providing high-quality advice to our clients. Second, in every task we do, we have to always keep every sector as detailed as possible to build well-structured advice. Third, we understand that our client needs are the top-priority, that's why responsiveness is everything to establish a good relation between us and our client. Hence, we believe that by holding our cores, we are able to become a precise and personalize firm for your necessity.

II

Ahmad Haikal Assegaf

S.H

Haikal has been practicing law for almost a decade before co-founding AHFP. Prior to joining AHFP, he served as a senior associate in one premier Jakarta law firm focusing on general corporate matters, Intellectual Property Issue and Dispute Resolution. He has obtained significant experience across a broad range of litigation, including representing clients in criminal proceedings, civil court, labor court and commercial court. His remarkable achievements were; (i) representing American television executive in fraud case during criminal investigation stage where he managed to construct the strategy to successfully defend the rights of his client, (ii) successfully representing his client before general court in illegal investment scheme case where he managed to draft all defensive argumentation, and (iii) effectively assisting a multinational company in their dispute against insurance company where he accomplished all the stage with victory.

Apart from providing litigation services, Haikal has consistently advised our clients in commercial business. He has been involved in various projects, transactions as well as cases in relation to general corporate matters, for instance, providing assistance in the establishment of companies, drafting and reviewing in relation to the complex and cross-border transactions and giving practical solutions to corporate issues. In light of his corporate experience, he has an extensive knowledge in advising, both domestic and international clients in Intellectual Property Right ("IP") matters. His experience in IP includes representing clients in; (i) IP registration issues, (ii) submission of claim towards IP issue, (iii) IP litigation in commercial court.

Haikal obtained his law degree from the University of Indonesia. Haikal is a member of the Indonesian Advocates Association and Intellectual Property Consultant Association in Indonesia.

Practice Area:

Dispute Resolution, General Corporate, Intellectual Property and Labor Law.

Education:

- Bachelor of Law: Universitas Indonesia (LL.B)

Licensed:

- Indonesian Bar Association (PERADI)
